

MEMORANDUM OF UNDERSTANDING

between

DUDU IT, CO., LTD., KOREA

and

NHA TRANG UNIVERSITY, VIETNAM

The Memorandum of Understanding is established by and between DUDU IT, Co., Ltd. (hereinafter referred to as "Party A"), Korea and Nha Trang University (NTU) (hereinafter referred to as "Party B"), Vietnam in order to implement successfully the KOICA IBS project.

Article 1: Purpose

The purpose of this MoU is to facilitate a contract to implement successfully the KOICA IBS project between Party A and Party B through a Joint Project to provide cyber security education and training for NTU students. 70% of the KOICA IBS project comes from KOICA budget and the rest (30% budget) shall come from DUDU IT's budget as its contribution to the Joint Project.

Article 2: Cooperation Areas

- A. To promote conditions to establish and operate a dedicated Cyber Security Education and Training Center at NTU.
- B. To purchase and install equipment (Hardware and Software), develop training text books, and conduct teaching and training relating to cyber security
- C. KOICA and DUDU IT shall support 70% and 30% budget respectively

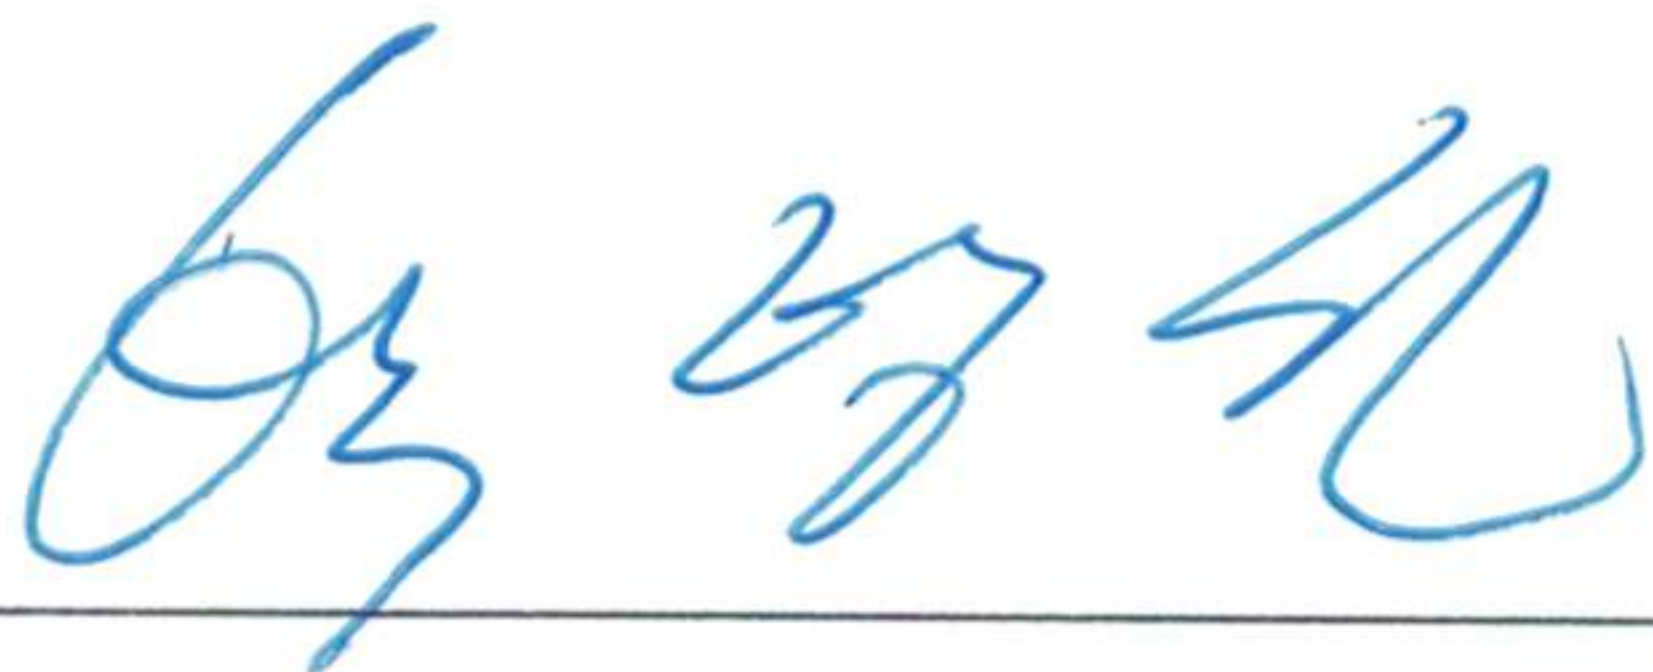

to cover all expenses related to the Center including facilities, management and operation costs, lecturer's allowance, textbook development, workshop etc. NTU shall provide office space and other procedures to establish the Center in accordance with Vietnamese Laws.

D. The two parties will sign a separate agreement to implement the establishment as well as ratify the activities of the center

Article 3: Validity Period

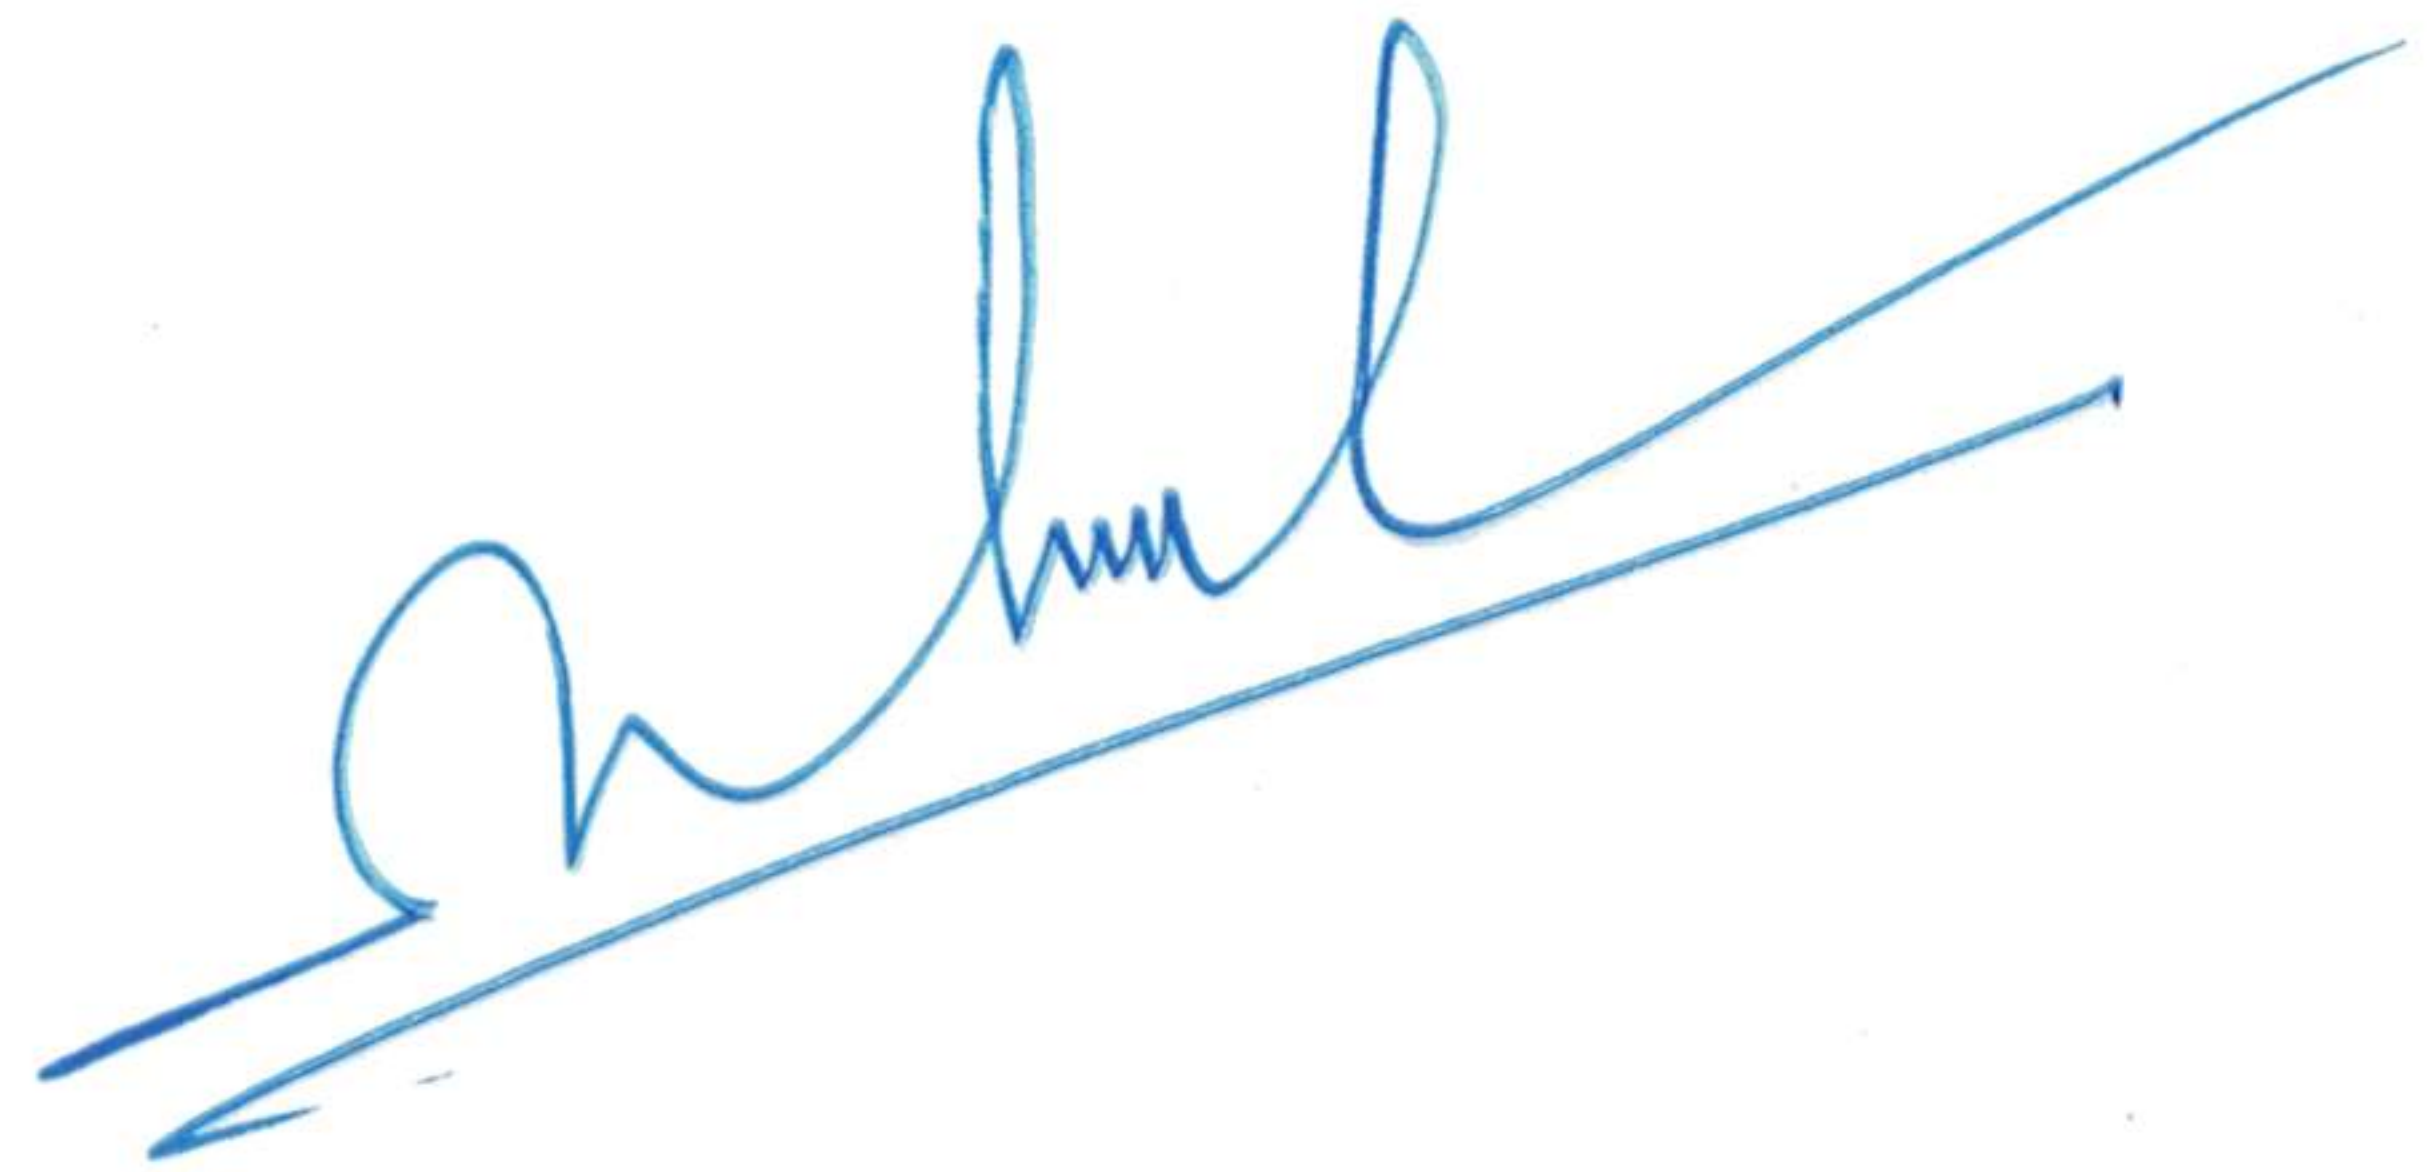

This MoU shall enter into force and valid 2 years on the date of its signature by both Parties. Either Party may terminate this MoU by giving three months written notice to the other Party.
